LB 476, 477, 478

SENATOR WARNER: Mr. President, this is that bill that is necessary to make a correction for the two and a half million of state aid to education that between the special session of '75 and the regular session of '76 was missed or because of conflict was dropped in the appropriation process and it is merely to correct that. Most of you will probably recall, there was a series of meetings last summer on it. Then, as far as I know, everyone agrees it is merely a corrective measure but this is the only process we can use to do it. So I'd move the bill be introduced.

PRESIDENT: That is the question. Record your vote. Record.

CLERK: 34 ayes, 0 nays on motion to introduce.

PRESIDENT: The bill shall be introduced. Next.

CLERK: Mr. President, I move the introduction of the attached bill. Signed Senator DeCamp. It is a bill for an act relating to insurance, to clarify procedures for the judicial review of disputed claims.

PRESIDENT: Senator DeCamp.

SENATOR DeCAMP: Mr. President, Berri Balka, the Insurance Commissioner you just confirmed an hour or so ago requested this bill. What it is, it clears up a matter of foreign corporations as to which court they have to appear in on matters involving the State Insurance Department in disputes between them and this is, it is going to be a Nebraska court, specifically, Lancaster County District Court, rather than, for example, a court over in Timbuktu. As I say, the Insurance Department requested this and we are entering it for them.

PRESIDENT: The question is Senator DeCamp's motion to introduce the bill. Record your vote. Please vote. Record.

CLERK: 33 ayes, 0 nays.

PRESIDENT: The bill shall be introduced. Do you have any more, Mr. Clerk. All right. Read the titles then.

CLERK: LB 476, read title. Mr. President, LB 477, read title. LB 478, read title. Mr. President, Senator DeCamp announces a meeting for the Rules Committee on Wednesday, February 9th at noon. Signed Senator DeCamp. Mr. President, notice of committee hearing by the Appropriations Committee. Mr. President, the Executive Board will convene today at 4 o'clock. Signed Senator Marvel.

PRESIDENT: Senator Keyes, for what purpose do you ask recognition.

SENATOR KEYES: Just to make a simple announcement that tomorrow morning between nine and ten there will be an Executive session of the Revenue Committee in Room 1019.

PRESIDENT: Senator Murphy.

SENATOR MURPHY: A question of the Chair.
